

Kids'

Same technology, but smaller. The New Balance Kids' line packs the superior support, cushioning, and stability of our adult shoes into lightweight shoes built to withstand a child's active lifestyle.

Running: Superior cushioning and technology provide support for the young runner.

Trail Running: Reliable and rugged, our trail series shoes combine comfort and fit with an aggressive outsole for traction on road and trail.

Tennis: A selection of tennis shoes that offer support, cushioning, and comfort.

Training: Supportive, stylish, and versatile styles are appropriate for indoor or outdoor play and sport.

Adventure Sports: Inspired by comfort casuals, stylish enough for school and rugged enough for the playground.

Kids-Only: Designed just for kids, these styles are perfect for both casual wear and for play.
